CONNECTICUT

SEASHORE TROLLEY MUSEUM

Kennebunkport, Maine

No. 1391, a 15-bench open trolley from New Haven, Conn. (built by Osgood Bradley Co. in 1910) used to be a summer favorite to beaches, parks, picnics, or just to cool off on sweltering days. Visitors to the museum—like those pictured here—can enjoy old-fashioned open car rides daily during the summer season.
